

# Campus Completes Preparations for 1952 Homecoming

## College Plans Varied Program For Important Annual Event

Weekend Festivities Will Highlight Pep Rally, Variety Show, Parade, Football Game, Dance

ROBERT ANDREWS

This weekend, Northwest Missouri State College will once more welcome back its alumni and former students to the annual Homecoming festivities. Beginning on Thursday night, and extending through Saturday, the campus will enjoy its most important and most entertaining event of the year.

During the past week every student and every organization has been busy adding the final touches to skits, floats, or an alumni reception. Gradually the program has come together as a co-ordinated student and faculty project.

**Students Will Select Queen**  
Tomorrow the students will select one of the five candidates to reign as Homecoming Queen and to preside over many of the festivities. The campaign for the queens got underway on Monday and will be concluded at the assembly program tomorrow when the students cast their ballots.

This year, the queen will be officially crowned on Thursday night at the first performance of the Variety Show. Again this year there will be two performances of the colorful and very popular Variety Show, which is the official opener of every Homecoming celebration.

Thursday night will be the student night, with an activity ticket being the required admission. Seats at the Friday night performance have been reserved for alumni, although students may also reserve seats for this second performance.

Following the Thursday night performance, a giant Homecoming Pep Rally will be held on the campus. After the Friday night performance, the queen and her four attendants will greet the alumni at an informal reception in the main lounge of the Union Building and afterward at a mixer in the Bearcat Den.

**Parade Is Saturday Morning**  
On Saturday morning at 10:30 the colorful procession of floats, clowns, and bands will parade through downtown Maryville along the traditional parade route.

Functions for alumni will be held by the various organizations throughout the morning. Several special luncheons will be given at noon and as many dinners will be given in the evening. This year, as last, any organization sponsoring a function for the alumni will receive one point toward the coveted supremacy trophy.

**Football Will Be Afternoon Feature**  
The principal attraction Saturday afternoon will be the football game at 2:00 p.m. in Memorial Stadium between the Maryville Bearcats and the Kirksville Bulldogs. A capacity crowd is expected to throng the stadium for this, the big game of the year and an important conference battle.

## Welcomes Alumni

J. W. JONES

Dr. J. W. Jones, who became president of the College in 1945, welcomes returning alumni and looks forward to their participation in the 1952 Homecoming activities. In all student programs, Dr. Jones emphasizes civic competence, professional training, and personal development.

## "Come as You Are—"

At Homecoming time each year, President and Mrs. J. W. Jones open their home at 703 College Avenue for a "Come as You Are After the Game" session.

Again all Homecomers are invited to enjoy hot coffee and doughnuts at their home immediately after the Bearcat-Bulldog game, Saturday afternoon.

## Improvements Are Made at the Dorm

At long last the girls at Residence Hall do not have to awaken to the clatter of hammers and the mighty footfalls of the workmen in the halls. The workmen have nearly completed their work on the dorm and many improvements have been made.

Nearly all of the rooms have new doors. The walls of the rooms have been newly painted and each one lends a homey atmosphere. All the floors have been sanded to a smooth finish and waxed. Some of the rooms are furnished with new maple furniture; others are furnished with painted furniture, and every room has new beds.

A new ironing board has been placed in each of the press rooms on each floor. Also there are new irons which can be rented.

The two newest innovations at Residence Hall are a new full size hair dryer and a sewing machine. The sewing machine was donated to the dorm by Miss Rachael Taul. No one can say the Residence Hall does not have all the comforts of home.

## Residence Hall Chooses Council And Officers

The Residence Hall Council has been chosen for the year. Nominations were made for the election of two representatives from each floor plus the officers.

Jo Ann Magnuson was elected president; Marilyn Gilliland, vice-president; Roberta Kordes, secretary and reporter; Margaret Murray, treasurer; Georgia Ferguson, Lynelle Hankins, Barbara Hudson, Flossie Stevens, Mallerd Maune, and Dona Walker.

The purpose of the Council is to act as the governing body under the guidance of Miss Rachael Taul, student counselor.

## President Jones Visits Omaha U.

Dr. J. W. Jones, president of the Northwest Missouri State College, visited the University of Omaha on October 14, 15, and 16 as chairman of a visitation committee on behalf of the American Association of Colleges for Teacher Education.

Dr. W. A. Brandenburg, dean of the faculty, Dr. Leon Miller, chairman of the education department, and Mr. Robert Foster, registrar, also visited the University.

The purpose of the visitation was to help the college visited in its program of teacher education.

## Teachers Will Make Addresses In Kansas

Miss Chloe Millikan and Miss Dora B. Smith will leave for Garden City and Wichita, Kansas, where they will address sectional meetings of the Kansas State Teachers Association.

They will speak in Garden City November 6. Miss Millikan will speak to the early childhood section on "Developmental Tasks in Early Childhood." Miss Smith will speak to the intermediate and junior high section on "Diagnosis and Reading Expectancy" and to the rural section on "Vocabulary: Meaning and Word Recognition."

In Wichita on November 7, Miss Millikan will address a section of early childhood education on "Living Democratically With Children." Miss Smith will speak to the intermediate section on "Reading and Personal Growth" and to the junior high section on "Understanding the Adolescent."

## ACE Will Celebrate Silver Anniversary

The student branch of Association of Childhood Education on the campus of Northwest Missouri State College is celebrating its silver anniversary during Homecoming activities. A luncheon will be held in honor of Miss Chloe Millikan who has been the sponsor of ACE 25 years. The luncheon will be at the Methodist Church, November 1, at 12:00.

Honor guests will be Miss Chloe Millikan, President and Mrs. J. W. Jones, President and Mrs. Uel Lamkin, Mr. and Mrs. Donald Sandford, Miss Blanche Dow, Miss Dora B. Smith, Miss Jennie Wahlert, Miss Mildred Bush, Mrs. Albert Kuchs, Miss Willie Whitson, and Miss Mary Keith.

## Election Is Tomorrow! Cast Your Vote For Queen You Wish to Reign Over Homecoming

OPAL CARSON

Once more the students of Northwest Missouri State College have scanned the ranks of co-eds on the campus and have selected five lovely young ladies, one of whom will be crowned Queen of the 1952 Homecoming celebration.

The five girls chosen were Carolea Pritchard, Maxine DeShon, Joan Kowitz, Lois Jean Kemper, and Carla Hayzlett. The four remaining after the queen has been selected will automatically become the ladies-in-waiting, or members of the queen's court.

## Missourians Will Vote on Proposed Amendment

On November 4, Missourians will be asked to vote on Constitutional Amendment 2. This Amendment is an enabling provision increasing the bonding capacity of school districts from five per cent to ten per cent of the assessed valuation.

Placed on the ballot by the last Legislature, their constitutional amendment will require a majority vote for adoption.

**Point Out Need**  
The proponents of this amendment point out the need for it by citing the increased enrollments, shifting populations, school district reorganization, increased building costs, and the lack of construction of adequate buildings during the last few years as logical reason for its passage.

This amendment will not effect those schools where adequate school buildings are provided, the supporters state, but it will enable those districts where additional building is needed to put forth every effort for the solution of their problems.

The proposed constitutional amendment is in line with a practice current in other states. Twenty-five states now have a maximum bonding capacity of ten per cent or more. In addition, Missouri is one of the eight states which requires that all school bonds be approved by two-thirds of those voting.

**Organizations Endorse**

Among the organizations endorsing Constitutional Amendment 2 are Missouri State Chamber of Commerce, The Missouri Congress of Parents and Teachers, The Missouri Congress of Colored Parents and Teachers, The Missouri Association of School Boards, The Missouri Farm Bureau Federation, The Veterans of Foreign Wars, Division 8 of the American Legion, The Missouri Association of Social Welfare.

The Missouri State Medical Association, The Missouri Industrial Education Association, The Missouri Association of School Administrators, The Missouri Association of County Superintendents, The Adult Education Association of Missouri, The South Central District Teachers Association, The Missouri Guidance Association, Missouri Textbook Men's Association, American Legion, Department of Missouri, and the Missouri State Teachers Association.

## Campus Improvements Include New Lights

New improvements in lighting on the campus are being made at the present time. When the project is completed new lights will be located on the steps west of the Administration Building, along the gravelled path to the Union Building, and along the walks to Residence Hall and the library.

As a part of the project in lighting improvements, spotlights have been placed around the Union Building in the same fashion as those placed in front of the Administration Building.

## Social Science Class Takes Political Poll

The social science department of the College is conducting a poll of the students, faculty, and office personnel as a practical experience in political science. The purpose of the poll is to predict how the College will vote in the November elections.

On Election Day, November 4, a polling place will be set up on the campus with reasonable facilities of ballots being provided. All students, faculty members, and office personnel are urged to cast their ballots on this day. Later these ballots will be checked against the results of the poll to determine the accuracy of a poll in predicting the final results of the election.

**Have Vacation Here**  
Mr. and Mrs. Marvin Doran, graduates of the College, returned to Maryville last week for a short vacation. Marvin is now working for the F. B. I. in Murfreesboro, Tennessee.

**Files to Kansas**  
Miss Estella Bowman of the English department flew to Winfield, Kansas, Tuesday, to bring her father back to Maryville to spend the winter.

## Business Department Requires New Course

Business 95, an advanced typewriting course, is a new required course for business majors. Dale J. Blackwell, instructor, has started the class on a production unit. This unit includes tabulations, legal documents, and general office typing.

The main objective of the course is quality work as well as quantity work. Accuracy and speed are both very important. The work, when handed in, must meet the standards of an office.

**Visits Here**  
Jim Wright, alumnus, returned from San Francisco this week for a short visit.

## Paris Version of Greek Tragedy 'Antigone' Will Be Given by Dramatics Club in November

From Paris, France, comes the translated version of the Greek tragedy "Antigone" which will be presented November 25-26 by the Dramatics Club. In his translation Lewis Galantier has created a play which, with its lively speaking roles and dramatic atmosphere, will appeal to moderns.

Antigone, the leading feminine role, has been given to Carla Hayzlett, a sophomore from Graham. In the play Antigone invokes royal wrath by covering the body of her dead brother after the king, Creon, declares that he is to be left unburied. Since it was the belief of the time that those who were not buried wandered eternally and found no rest, Antigone is not concerned with politics but with the

outrage on her brother.

**Creon Offers**

In an effort to spare her life, Creon offers her a life of "happiness" provided that she will agree not to intervene in anything that does not concern her material existence. She refuses, and her protest and martyrdom have the effect of a revelation to the Thebans.

Robert Wilson, a freshman pre-medical student from Sheridan, has been chosen to portray Creon, the king. Creon is indeed a persuasive dictator. As he tries to convince Antigone that she need not die, by explaining to her the political nature of the incident, it is important to remember that Creon's arguments have no validity against a higher

law which assumes the existence of an immortal soul.

**Chorus Gives Background**

Robert Andrews, a senior English major from Clearmont, has the part of the Chorus. The Chorus relates the background of the play in a lively and modern manner, and makes side comments during the play which add much to the general effect.

Antigone's sister, Ismene, will be played by Sue Condon, a senior English major from Maryville. Ismene knows of Antigone's determination to bury her brother and tries to make her change her mind by reasoning with her. Ismene refuses to help but when Antigone is sentenced to die, Ismene wishes to die (Continued on Page Four)

Members of the cast of the play "Antigone" take time out from rehearsal to be photographed. They are, front row, left to right, Richard Oakerson, Susan Haack, Carla Hayzlett, Robert Wilson, and Harley Hacketh. Back row, left to right, Lewis Wallace, Frank Babb, Opal Carson, Sue Condon, Lynn Adams, and Robert Andrews.

## Then Would Come Friday

I am sure that we have all heard stories of the now all but forgotten flights of the passenger pigeons. Some of us have heard tales told by the old-timers who saw the great buffalo migrations, too. But, fellow students, we shall all have a tale to tell some day—a tale of migration that took place with much more frequency and regularity than that of the pigeons or the buffalo.

We can all lean back in our chairs and say to those who can be persuaded to listen, "Yes, I really saw it—every Friday evening I saw it. With alarming regularity it would happen. All week long the tenor of their lives would run smoothly; then would come Friday!

"With mad frenzy they would scurry about, gather a few oddments together, and prepare for flight." We shall be talking about the larger percentage of the students of Northwest Missouri State College.

"Yes," we shall continue, "this homing instinct seemed particularly strong in the younger of the species. Nothing that their Alma Mater could offer in the way of week-end activities could induce them to stay. They hardly needed clothes closets in those days—a good, big suitcase would suffice.

Such will be the tale that we can tell of the migration we saw. We can add a few details about half-empty dining halls, weakened cheering sections, deserted dormitories, and the saga will be complete. Rather a sad tale it will be—tales of deserted things usually are—but, oh, so true!

## It Should Be A Challenge

School spirit cannot be forced upon a group; it has to be developed.

The majority of the college student body have been under criticism of late for not showing the proper school spirit. Student attendance at games has been lower this year than in years past. Several have said that a college of this size, where it is relatively easy to know most of the students, should have a rousing school spirit. And yet the "rah-rah" spirit here falls.

There are always the freshmen to use as a scapegoat. They are new and many of them have not severed high school ties. Hometown weekend games are still a strong attraction. Then there are suitcase students and those who "have something else to do" from all classes.

Whatever the reason, the situation should be a challenge.

Many freshmen objected to a recent surprise pep rally after school for they felt they were more or less compelled to attend. If the freshman class is the most influential, probably stronger strides should be taken with them to aid in development of more pep at games. A different method should be taken, though, for many freshmen feel that school spirit is being forced upon them.

## We Need a Fight Song!

If you think the same as I do, you will agree that NWMS is the best of the Missouri state schools, if not the best school of all. For a school as good as this one is, I think that we should have a school song written for the College, by some one in the College.

Such a song would not only give the student body more pep, but also more prestige. Notre Dame has its fight song; Minnesota has the Rouser. NWMS has none. When the boys make a touchdown or win a ball game the band grabs the first tune handy and plays it. If we had a fight song the whole student body could sing it and really rock the stands.

In our music department there are students as well as the faculty who could write the music that would inspire almost anyone, and in the English department there are ones who could write suitable words.

If such a song were written, would you sing it? I think that you would. Will the music and English departments co-operate?

—Burl Walter

## Brings Honor

UEL W. LAMKIN

The College has the honor to have as its president emeritus, Uel W. Lamkin, LL. D., who has a remarkable record of achievement in the field of education. Since his retirement, he and Mrs. Lamkin live at 3 Elm Square. Mr. Lamkin was president of the College for 25 years, from 1921 to 1945.

## Independents Or Alphas May Retain Supremacy Trophy

The results of last year's Homecoming show reveal that should either the Independent Club or the Alpha Sigma Alpha sorority win the Supremacy trophy this year, it will be theirs for retention, as each has twice been the winner of this award.

The Independents tied with the Sigma Sigma Sigma sorority for the honor in 1949. In 1950 the Alphas won the coveted trophy. Last year these two organizations tied for first place.

Points won towards the Supremacy Trophy in 1951 were as follows: Independents and Alpha Sigma Alphas, 16 points each; Sigma Sigma Sigma, 13.5 points; Sigma Tau Gamma, 11.5 points; and Delta Sigma Epsilon, 8.5 points.

These points were accrued as a result of the various ratings that these organizations received in Homecoming contest entries.

In the Variety Show the Alpha Sigma Alphas and the Association of Childhood Education tied for first place, Sigma Sigma Sigma placed third, Sigma Tau Gamma was rated fourth, and Delta Sigma Epsilon and Alpha Phi Omega tied for fifth place.

In parade participation, the Independents were awarded first place, the Sigma Sigma Sigma second, Sigma Tau Gamma third, Alpha Sigma Alpha fourth, and Phi Sigma Epsilon fifth.

The Independents were given a first rating in house decorations, the Alpha Sigma Alpha placed second, and the Delta Sigma Epsilon sorority rated third. The Sigma Tau Gamma and the Sigma Sigma Sigma organizations tied for fourth place.

The float of the Industrial Arts Club was judged the most beautiful and the Independent Club, Alpha Sigma Alpha, Delta Sigma Epsilon received ratings of second, third, and fourth, respectively. Sigma Tau Gamma and Intermediate Club tied for fifth place.

First honors in the humorous float contest went to the Phi Sigma Epsilon fraternity. The Ag Club placed second; Alpha Phi Omega, third; Sigma Tau Gamma, fourth; and the Association of Childhood Education was rated fifth.

The float of the Independent Club was judged the best all-around float; the Industrial Arts Club, second; the Ag Club, third.

Mack Swafford, Ag Club, was judged the best clown in the parade; Jerry Shell, Phi Sigma Epsilon, was rated second; Irene Schmitz, Independent Club was given third place; and Geraldine O'Dell, Sigma Sigma Sigma, was given a fourth place rating.

The Sigma Sigma Sigma sorority was judged to have the best group of clowns. Ag Club, Independent Club, and Delta Sigma Epsilon tied for second place in this class.

Robert Conley, representing the Independent Club, won in the contest for the best jockey and driver. Peggy Cross, Alpha Sigma Alpha, placed second. Martha Angels, also Alpha Sigma Alpha, placed third. Fourth place went to Marion Ayres, Phi Sigma Epsilon, and fifth to Dick Gordon, Independent Club.

The Independent Club was judged to have the best group of jockeys, with the Alpha Sigma Alpha placing second.

## Bolen Has Meeting With School Administrators

Homer Bolen, State Supervisor of Schools, was in charge of the meeting of school administrators held at the College, October 18.

High school administrators from Worth, Gentry, and Nodaway counties were present for the school of instruction. Mr. H. R. Dieterich, principal of Horace Mann High School and president of the Missouri Association of Secondary School Principals, and Mr. Everett Brown, director of Field Services, were local representatives.

## They're Talking About

Big topic... approaching Homecoming... everyone looking slightly haggard... big floats... small number of hours... variety show in final stages... house decorations ready to spring into existence... the big Homecoming dance... everyone should be there.

Homecoming queen... who will it be?... election is tomorrow... tomorrow night... one beautiful queen... four lovely ladies-in-waiting... big campaigns... halls with big banners... smiling portraits on first floor... some will be sorry when it is over... who can blame them?

National election... ears with Ike and Dick banners on bumpers... campaigning in the more quiet moments... everyone who can should vote... Tom Garity... Ike... who's that?

Mr. Taylor's strange neckpiece... some might think woolly worms a little out of the ordinary... striking resemblance between JoAnn Michanek and Mitzi Gaynor... same sparkle... five "McDurels" enrolled this semester... Caldwell, Hensley, McClure, Stevens, Williamson... four ways to spell the first name.

Sentiment for a good fight song... work of English and music department combined... could be done... thrilling football games... Springfield and Eastern Illinois... Big Green doing what they should... school spirit on the increase... exciting games can make a difference... Homecoming game with Kirksville... why not establish a tradition?

Big Homecoming parade... thirty-two high school bands... snappy uniforms... snappy music... approximately seventy clowns in parade... how funny... Phi Sig pledges... all must be clowns... some say it will be easy.

Apples for the president... not one but five... nicely polished... congrats to newlyweds... Johnny Koffman and Carolyn Canon... Larry Bell and Gloria Fulton... Burl Walter's new interest... redhead from Mount City... Joan Kowitz floating on air... Don's home.

Play to be given in November... "Antigone"... Carla Haylett and Bob Wilson to be stars... Lynn Adams again the strong, masculine type... the assembly last Wednesday... Cornelia Stabler... big name bands at the Frog Hop... always on school nights.

## Reeives Tribute

M. E. FORD

In tribute to his service to his professor community, and state, Judge M. E. Ford was honored last week by having his portrait hung behind the bench in the Nodaway County Circuit Courtroom. Mr. Ford is president of the Board of Regents of the College.

## Hershel Colbert Directs Dancing At Faculty Party

By continuing with his folk and square dancing hobby here in Maryville, Mr. Hershel Colbert is bringing those dances to many people.

After some members of the College faculty saw Mr. Colbert direct folk and square dances, they talked to Mr. Colbert about having a faculty fun night, with Mr. Colbert in charge. He planned the affair, which was held Thursday, October 16, and erected both square and folk dancing during the evening. He remarked that he was pleased with the results, considering that the dances were new to many.

Folk Dancing Is Hobby  
Mr. Colbert first took up this type of dancing five years ago when he was Troop Information and Education Officer in the army in California. As square and folk dancing were quite popular in Carmel, where he stayed, he soon turned to this as a hobby during leisure hours.

First he joined a preliminary instruction course, then a folk dancing class which met every week. Although Mr. Colbert likes both types, he believes that folk dancing has a few more advantages than square dancing.

Good Entertainment  
When he was retired from the army in November of 1951 and returned to Maryville, Mr. Colbert decided to try to get more people here interested. He believes that folk and square dancing are especially good because they are a group entertainment, give the dancers a chance to be with more people, can be done by people from kindergarten on up, and are just lots of fun.

Mr. Colbert, son of the late George H. Colbert, who was on the faculty of the College for more than 40 years, is taking a Spanish course this semester just for pleasure to occupy some leisure time. Until he was called into the army in 1942, he was working in the journalism field. Mr. Colbert is generally given credit for being editor of the first College newspaper, the "Normal Index."

## Social Security Act Insures Servicemen

"Thousands of men and women who have served in our armed forces since the end of World War II are now insured under old-age and survivors' insurance." This statement was made today by L. D. Moyer, manager of the St. Joseph field office.

All military and naval service since September 1940 is now covered by the Social Security Act. Before the passage of the amendment, no credit could be given for service after July 24, 1947.

"It means," Mr. Moyer added, "that the serviceman or woman is credited, on his social security account, with \$160 for each month or part of a month that he was on active duty. The credits won't be posted to his account now nor at any time in the future; credit will be established by presentation of the serviceman's discharge, which must be other than dishonorable, when a claim is filed."

Mr. Moyer explained further that these credits apply to all servicemen and women, living and dead; and to the survivors of those who have passed away. Mr. Moyer makes this suggestion, "Inquire at your local social security field office concerning benefits which may be payable. Like all other persons, the serviceman must have had at least six quarters of coverage to be insured; however, these six quarters can be made up of all military service or a combination of military service and civilian employment."

## Mattie M. Dykes Goes To Cincinnati, Ohio

Miss Mattie M. Dykes, faculty English teacher, left Thursday night, October 23, for Cincinnati, Ohio, to attend a meeting of the Ohio Newspaper Women's Association, which is celebrating its fiftieth anniversary.

Miss Dykes presented the question of affiliation with the National Federation of Press Women of which she is president.

## The Stroller

With all the talk of election in the air, the Stroller wishes to cast his ballot for Marylyn LaMar as the perfect secretary. Who else has developed the technique of perching on the editor's desk?

Curt Gaffney must be campaigning for the post of commissioner of education. Recently he's been expounding some mighty interesting theories on progressive education.

With one hundred records on the juke box in the Bearcats' Den, why does everyone play Johnnie Standley's "It's in the Book"? Undoubtedly it's the number one record on the campus!

Why doesn't someone do a takeoff on the Smell sisters doing a takeoff on Dietrich and Clooney? It might add something to the annual Variety Show.

Marcia Woodcock has been having trouble with that picture of hers again. The Stroller hears that it just won't stay put.

How about tagging Bob Wilson as "The Voice"? Brother, he's got it! All the way to the soles of his shoes.

The Stroller can't decide just which queen candidate will get his vote. He's still waiting to see which way Pogo goes.

Isn't it just a little bit unfair for the Marine Corps to send around such attractive women recruiting officers? Too many men developed an avid interest in the Women's Marine Corps. And good can come of that!

What new game were Joyce Osburn and Bruno Oakerson discussing the other day at the Snack Bar?

The southeast corner of the Bearcats' Den must have been the staging area for the stag line at the dance after the Eastern Illinois game. Most of the unattached males congregated there.

It's knit one, purl two for Suzy Haack these days. By the time she finishes work on "Antigone" in November, she could have all of her Christmas knitting done. Anyone for Argyle socks?

Note to a poor, little mixed-up kid: Athens wasn't playing Sparta in a football game the other night. That was Maryville and Springfield.

The Age of Chivalry must be dead! Bill Yeary doesn't believe in carrying a girl up a flight of stairs, even if she does have a sprained ankle.

Charley Oellerman must be eating Vigoro. The last football program listed him at five feet and nine inches. Surely he hasn't grown that much since football season started.

The Stroller will be at tomorrow's assembly to cast his ballot for the Homecoming Queen. Will YOU be there?

## Rika Sweringa, Formerly On Campus, Writes From Holland

Rika Sweringa, a student from Veendam, Holland, who was on the campus last year, writes from her home that it is so expensive to send letters to the United States that she sends two in one envelope when she corresponds with friends here.

"The last few months in America were one great realization of a beloved dream. While I was traveling I was alone and free, absolutely free. I could eat what I wanted, go wherever I wanted and be happy. But as I know very well, 'freedom' is just another name for 'personal discipline,' Rika writes. 'The idea of absolute freedom made me feel good.'"

Gets to See Washington, D. C.  
"The last moment before I went home I decided that I had to see Washington, D. C., and Philadelphia. As I did not have much money left, I traveled at night and saved hotel bills, so that I was able to pay the trip.

"I am very glad I went to Washington. I think it is the most beautiful city in the U. S. and I was perfectly happy while I was walking through all those magnificent buildings. I always wanted to sing then 'America the Beautiful,' but as I did not know the words it did not mean enough. Now I have the words as I have a songbook of the Rotary Club. I sing every day this song."

She Likes Americans  
Rika says that as a whole she liked the American people, because they are friendly and kind and have a wonderful feeling for humor, which she loves. However, she reports that if somebody who is against America talks to her and argues with her, it is almost impossible for her to deny what is said.

"Think: the Negro and Indian problem, the silly politics in Europe and Korea, the materialism, the waste, the very easy schools and so on. There is something wrong!" she reiterates.

Nevertheless, the former student on Northwest Missouri State campus concludes by saying, "As far as I can see this and know about it I can say that all Americans may thank God that they are Americans and live in such a unique country. Let them be happy, proud, and thankful, but let them never think that they are the best people in the world for that's not true."

and live in such a unique country. Let them be happy, proud, and thankful, but let them never think that they are the best people in the world for that's not true."

## V. A. Information

Q—I plan to enroll for training under the Korean GI Bill. Does VA want a photograph of just the front side of my discharge paper?

A—VA needs a photostatic or certified copy of both sides of your discharge paper, in order to process your application.

Q—I am a World War II veteran, and I am entitled to a GI loan, although I never used this benefit. I returned to active duty, and as a result of my recent service, I meet eligibility requirements for a GI loan under the new Korean GI Bill. Will I be able to get two GI loan entitlements, as a result?

A—No. World War II veterans who reentered service since Korea will have their unused loan entitlement under the World War II Bill cancelled after their discharge and will have it replaced with new entitlement under the Korean GI Bill. In your case, you will have 10 years from the end of the present emergency to apply for a GI loan—rather than July 26, 1957, the World War II deadline for loans.

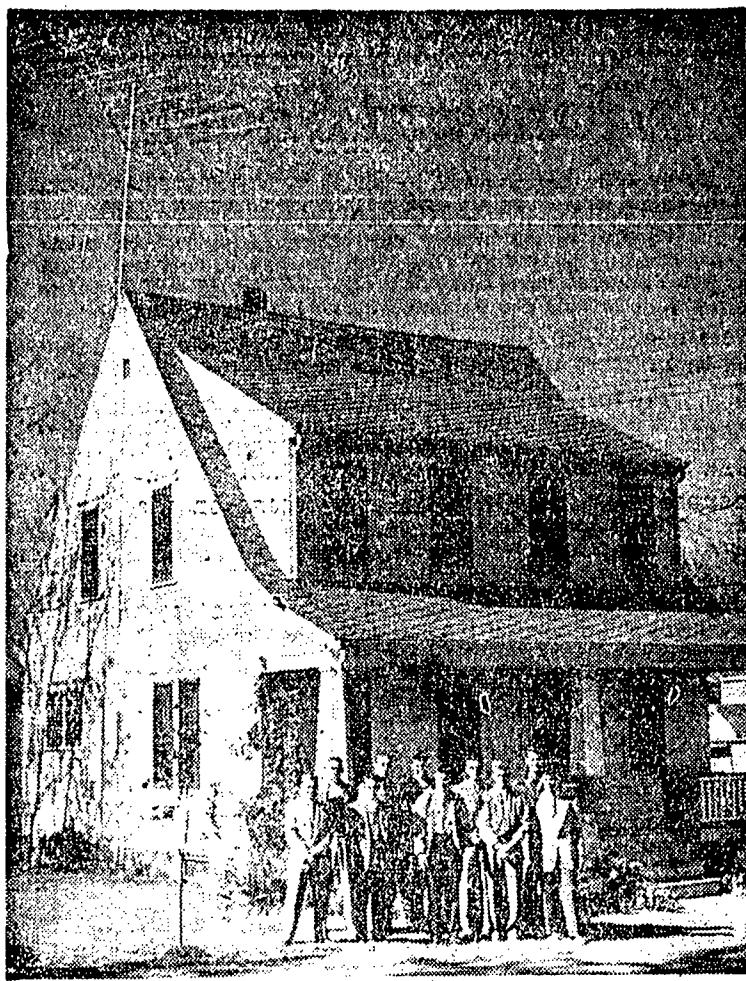

## Alumni News

Mr. and Mrs. Charles "Chuck" Graham attended the Maryville Eastern Illinois football game Saturday, October 18.

Mrs. Graham was the former "Marge" Magee who was active in the Alpha Phi Dolphin Swim Club while in college. Chuck is coaching at Seymour, Iowa, High School, and he brought three of his football squad to Maryville to visit the College to see the game. "Chuck" played fullback for the Bearcats.

## Phi Sigma Epsilon Has New Home

Phi Sigma Epsilon fraternity is the proud owner of a house located at 410 North Fillmore. Twelve members reside at this residence. They are as follows: front row, left to right, Herschel Neil, Harry Yungslager, Jerry White, Fred Hannah, Bob Douglas. Second row, left to right, Dean Balsover, Stan Butt, Ed Hascall, Max Pierce, Larry Huddle. Not pictured, Burt Walters and Frank Bayless.

## Phi Sigma Epsilon Establishes Fraternity House for Members

Phi Sigma Epsilon has a house located at 410 North Fillmore with Mrs. Mary Elliott. There are twelve students affiliated with this fraternity staying at this address. They are as follows: Herschel Neil, Graham, senior; Stan Butt, Westboro, senior.

Jerry White, Bethany, junior; Bob Douglas, Albany, senior; Max Pierce, Albany, junior; Frank Hayless, Coin, Iowa, sophomore; Ed Hascall, Emerson, Iowa, sophomore; Dean Balsover, Springfield, Illinois, senior; Fred Hannah, Guilford, sophomore; Harry Yungslager, Atlantic, Iowa, senior; Larry Huddle, Parkville, sophomore; Burt Walters, Shenandoah, Iowa, sophomore.

Makes Sign  
The boys at the house have made a sign in the shape of the fraternity pin, and it was painted by Meek. The sign is hung outside of the house.

Fraternity boys live up and downstairs. There are four double rooms, one single room, one triple room, two baths and one shower for the boys to use. These rooms are furnished by Mrs. Elliott.

A large living room is used by Mrs. Elliott and the boys. Mrs. Elliott is installing a television set here for use in their leisure time.

Have Governing Committee  
The boys who stay in the house act as the governing committee. Bob Douglas is the mayor. House meetings are held every two weeks on Wednesday nights at 11 p.m.

Mrs. Elliott has kept college boys for four years. The boys have been primarily affiliated with the fraternity. Before moving to Maryville, she lived on a farm near Graham. Mrs. Elliott supervises a farm in the Bethany community near Graham.

J. D. Elliott, Mrs. Elliott's son, graduated from the College in August, 1950. While in school, he majored in industrial arts. Some activities that he participated in were as follows: Phi Sigma Epsilon, Student Senate, Student Union Committee.

He entered aviation cadet school immediately following graduation. Now he is a second lieutenant in the United States Air Force. J. D. is stationed at Forbes Air Force Base, Topeka, Kansas.

Delta President Will Visit  
Members of Delta Sigma Epsilon are looking forward to the forthcoming visit of their national president, Miss Elizabeth Daniel. According to the latest word, she will be on the campus to inspect the Alpha Phi chapter November 15 and 16.

Furniture Comes For Chapter Room  
Furniture for the Delta Sigma Epsilon sorority room in the basement of Residence Hall arrived October 23. The Deltas are working to get the room completed before Homecoming.

## Tri Sigs Conduct Ceremonials During Leadership Conference

Sigma Sigma Sigma sorority was represented at the regional leadership conference, October 18-19, at Hotel Muehlebach, Kansas City, by the following seven college members of Alpha Epsilon chapter: Mary Beth Marsh, president; Maxine DeShon, vice-president; Marilyn Hartell, secretary; Pat McClaren, treasurer; Diane Clements, corresponding secretary; Mildred Maxon; Jo Magnuson; and Helen Fisher Mutz, alumnae adviser.

Attending the conference were eight college chapters and fifteen alumnae chapters. The college chapters were from Gunnison, Colorado; Kirksville, Maryville; Pittsburg, Kansas; Emporia, Kansas; Edmond, Tahlequah, and Alva, Oklahoma. Alumnae chapters were represented from Oklahoma, Missouri, Iowa, Kansas, and Arkansas. Also present were six national officers.

Kansas City Hostess  
Hostess of the conference, the president of the Kansas City alumnae chapter, was Mrs. G. P. Morgan, a former member of Alpha Epsilon.

Registration began Saturday, October 18, at 9 a.m. in the Trion Room of the Hotel; a luncheon was held at noon in the Colonial Ballroom. Separate sessions were attended by the college members, faculty sponsors, and alumnae, in the afternoon.

Have Formal Dinner  
A formal dinner in the Colonial Ballroom Saturday night was followed by the Ceremonials in which Alpha Epsilon presented the Ceremonial Business Meeting.

The Sunday morning program consisted of Sigma Inspiration, panel discussions, and ended with the final sessions and adjournment.

## Pledges of Tri Sigma Elect Their Officers

The pledges of Sigma Sigma Sigma met in the Lakeview room at the Student Union, Wednesday, October 16. They elected their officers who are: Lols Jean Kemper, president; Roberta Kordes, vice-president; Flossie Stevens, secretary; Jo Ann Meek, treasurer; and Pat Lip-pold, song leader.

Maxine DeShon, vice-president of the sorority, is pledge mistress.

## Art Club Enjoys Campfire Meeting

Art Club held its regular meeting Tuesday, October 27, in the Lakeview Room of the Union Building. President Jack Donaldson was in charge of a brief business meeting.

After the business meeting, the group moved to a knoll beside a campfire, roasted marshmallows, and drank cider. Miss Olive S. De Luce, Jack Donaldson, and Virdean Dorman planned the outing and furnished transportation.

Those present were Opal Carson, Agnes Steinhauer, Marilyn Brown, Virdean Dorman, Jack Donaldson, Eddie Woltz, Harley Hackett, Miss Constance Rustin, and Miss DeLuce.

## Kappa Omicron Phi Organizes Group

An alumnae chapter of Kappa Omicron Phi was organized October 6, at the home of Miss Mabel Cook, sponsor of Alpha chapter of Kappa Omicron Phi.

Alumnae attending were as follows: Mrs. Max Miller, Mrs. Bill Norton, Mrs. Howard Watson, Mrs. John Schrier, Mrs. Donald Ray Taylor, Mrs. Montgomery Wilson, Mrs. Bruce Mitchell, Mrs. Manfred Fisher, Mrs. M. J. Gile, Mrs. J. Weidon Whan, Mrs. Ray Rowlett, Miss Mabel Cook, and Dr. June Cozine.

Officers are as follows: Mrs. Bruce Mitchell, president; Mrs. Montgomery Wilson, vice president; Mrs. Bill Norton, treasurer; and Mrs. J. Weidon Whan, secretary.

## Mattie Dykes Visits Relatives on Weekend

Miss Mattie M. Dykes spent the weekend of October 12 with relatives in King City, Missouri, and Effingham, Kansas.

Miss Dykes' father, S. J. Dykes, is approaching his ninety-first birthday. He had as his guests his sister, Mrs. Mattie F. Brown, 87, of Kansas City, Missouri, and his brother, John Lucian G. Dykes, 84, of Chicago.

## Weddings

Mary Marie Schulte, Oregon, and Jack Miller, Platte City, were married October 25 in the Methodist church in Oregon. Jack was graduated from the College in the spring, 1951. Mary Marie was graduated in the spring, 1952.

Robert Walker, Gentry, and Burton Richey, Coaling, Iowa, were married August 24 in Albany. Both were graduated in 1952. They are living in Washington D. C.

Frances Hull and Corporal Robert Campbell, of Elmo were married at the Methodist church in Elmo, August 10. Frances attended this college during the year 1951-52.

Larry Belt, Jefferson City, and Gloria Fulton, St. Joseph, were married October 12. Larry is a senior and Gloria is a freshman.

Delta Pledges Elect  
Officers for the pledge class were elected at the first meeting which was held in the Blue Room of the Union, October 15. Maggie McKee was elected president; the vice-presidency is filled by Georgia Ferguson; Jean Ann Feurt was selected secretary; and Deane Jo Hindman, treasurer. Plans were formulated as to projects and programs that will be completed during pledge training.

Delta Pledges Will Build Float  
Delta Sigma Epsilon pledges are being responsible for the humorous float of the sorority, and the activities, a float for beauty. Besides entering in the variety show and the parade, the Deltas are holding a dinner on Saturday evening in honor of the Delta alumnae.

Carolyn Canon, Maryville, and John Koffman, St. Louis, were married October 15 at the First Christian Church in Maryville. Carolyn was a student at the College last year, and John is a senior this year.

## Phi Sigs Receive National Officer

Nu chapter of Phi Sigma Epsilon was honored with a visit from Mr. Francis Bremmer, national executive officer, October 20. Mr. Bremmer was on his way to Greeley, Colorado, possibly to establish a new chapter of Phi Sigma Epsilon.

He visited the Phi Sig house and met the members. He also visited at the home of Max Miller, College Heights, who is president of the local chapter. They discussed the local chapter's activities and future plans for expansion and development.

Mr. Bremmer plans to come again in the spring, at which time he plans to make a longer visit with the fraternity.

## Student Christian Association Meets

The third bi-weekly meeting of Student Christian Association was held Tuesday evening, October 21, in the chapel of the Student Union, with "Everyday Christianity" as the theme of worship and study. The meeting was called to order by the President Jeanie Mulvania. Max Lewis read the minutes of the previous meeting, and led in worship.

Members of the association were fortunate in having as their guest speakers the Reverend Howard Linton, of the First Baptist Church, the Reverend Harold Miller, of the Church of the Nazarene, and the Reverend Harold J. Miller, associate pastor of the Methodist Church, and the Reverend Charles Jennings of the Church of the Nazarene. They presented the Ten Commandments as guides for everyday Christianity, and then opened the discussion to members of the group. The meeting adjourned with the singing of the S. C. A. song.

Judith Eltzen and Jean Liene-mann were formally initiated into Alpha Epsilon Chapter of Sigma Sigma Sigma, Wednesday, October 15, in the Lakeview room of the Student Union.

## College Social Competence Program Emphasizes Nine Major Divisions of Social Improvement

MELVA HEITS  
Having recognized the importance of out-of-class activities in the education of a student, the faculty and staff of Northwest Missouri State College have outlined a program for the development of social competence on the campus this year.

In the past, attention has been centered on the professional or vocational aspects of education and will continue to be so, but if education in the broader sense of the word is to be achieved, more attention must be paid to the out-of-class activities.

All Help  
The major topics of the program were suggested by personnel officers of the college with each member of the faculty serving on one of the nine subcommittees.

Each committee defined the topic that they were to study, stated the

objectives, and outlined the means by which these objectives are to be attained.

Have Nine Divisions  
The nine major divisions of this program are concerned with communications, dress, avocational interests, leadership and "followership," aesthetic values, religious values, understanding of national, international, and racial problems, organized group social events, and conduct as an individual in unorganized social situations.

As can be determined by the names given these committees, the objectives of the program are to teach the student to communicate correctly in every situation, to learn to dress properly for every occasion, to give the student a broader education by offering interests outside the vocation for which he is preparing, and to offer the student

an opportunity to develop qualities of leadership and "followership."

Will Consult Alumni  
Also emphasized by the social competence program are the ways of aiding a student to set religious values for himself, to acquire an appreciation for art, music and drama, to understand world problems that face us today, and to conduct himself properly both in organized and unorganized social groups.

Student participation in this program is essential, and alumni will be consulted in defining social competence and in determining the relative value of the training of this type that they received in college. As this study progresses, and more information is obtained, and more observations made, this first outline will undoubtedly be revised.

## Delta Sigma Pledges Are Taught Manual by Teacher

New pledges of the Delta Sigma Epsilon sorority are shown gathered in the lounge of the Union Building with their pledge mistress, Mary Ellen Daniels. Pledges are, seated, left to right: Doris Yungslager, Evelyn Flinter, Beverly Pop, Joy White, Jean Webb, Pat Peterson, Maggie McKee, Mary Ellen Daniels, Jean Ann Feurt, Sara Overton, Wilma Jones, Lavon Mattes. Second row, standing, Barbara Taylor, Ida Beth Noll, Deane Hindman, Charlene Carr, Georgie Ferguson, Harriet Appleton, Joan Cartwright. Not shown is Susie Haack.

## Intermediate Club Has Meeting in Gold Room

Marcia Fellows, the vice president presided over the regular meeting held in the Gold room of the Union building, October 14. The program was scheduled for the remainder of the semester and further Homecoming plans were made.

After the regular meeting, committee meetings were held to plan their work. The club has held several called meetings in conjunction with Homecoming.

Will Attend Homecoming  
Mrs. Robert Zimmerman, the former Alice Arbuckle, is now employed at Hall Brothers. She is in the finish drawing department where black and white value drawing to make the key plate for printing is done. She hopes to be in Maryville for Homecoming.

Howell England attended the Maryville-Eastern Illinois football game Saturday, October 18. Mr. England is a member of the Class of 1926. He is at present superintendent of schools at Leon, Iowa.

## Pi Omega Pi Has Eleven Pledges

Pi Omega Pi initiated eleven pledges into its ranks Tuesday night, October 14, in the Lakeview Room of the Union building.

Those taking pledge vows were Jean Liene-mann, Bernice Short, Alma Murrell, Avis Murrell, Rita Hunter, Iris Reece, Dorothy Sheets, Carole Tudder, Wanda Mantey, Virginia Barver, and Howard Wol-len.

Pi Omega Pi members are working on the projects which they will enter into the Homecoming celebration. The organization will sponsor an entry in the Homecoming parade and an alumni luncheon.

Committees for the luncheon are as follows: Invitations, Wilma Payne and Paul Ross; program, Jean Liene-mann; place cards and table decorations, Leona Greever and Thelma Buckley.

Serves Near Korea  
Lieutenant (j. g.) Wayne H. McQuerry is now serving aboard the USS Kearsarge in Korean waters.

## Two Have Been Chosen Independents Sponsors

Dr. Finley Carpenter, instructor in the education department, and Mr. Donald H. Sandford, instructor in the music department, have been chosen to be sponsors of the Independent Club.

Dr. Carpenter received his A. B. and Ph.D. from Indiana University. He served for five years in the United States Army Air Force. Dr. Carpenter came to the College this fall.

Mr. Sandford received his B. S. in Education from Wayne University and his Master of Music degree from the University of Michigan. Mr. Sandford came to the College in 1950.

## Sig Tau Special

BOB KARIGER

All members of the Sigma Tau Gamma fraternity have been working diligently on preparations for the Homecoming festivities. Hersch "Ceil B. DeMille" Martin is planning on winning an Oscar this year with his talented aggregation, even if he must steal it. The hush-hush surrounding the rest of the committees will have to be kept hush-hush.

Seven men have been pledged in to the Sig Tau fraternity. These men are as follows: Morris Ingram, Dearmont; Jerry Sprong, Chillicothe; Frank Pebley, Craig; Tom Sloan, St. Joseph; John England, Leon, Iowa; Gene Johnson, Atlantic, Iowa; and Jim Swaney, Maryville.

While we sat in the Quad talking to John Koffman in his last few moments before going into bondage, he relived his freelance loving days and then with a tear in his eye he departed for the church to exchange vows with Carolyn Canon. All of John's fraternity brothers were deeply impressed as they witnessed the ceremony. We all join together to wish John and Carolyn the best things in life always.

## Colhecon Members Plan Fund Raising Project

Colhecon met October 13 at the Home Management House, and selected Roberta Kordes as scrapbook keeper for the year.

It was voted that members sell Christmas cards as a fund raising project. Each girl is to try to sell three boxes.

A letter was read inviting two delegates to the Province 9 workshop held at Lawrence, Kansas, October 23, 24, and 25. Rosetta Reed and Nadyne Crockett represented the local club.

The next meeting will be held October 27 for initiation of new members.

Delta Sigs Have Policy Change  
Delta Sigs all over the nation are switching from the customary mother-daughter arrangement to a big-little sister plan. The Alpha Phi Chapter moved forward on this plan with the largest pledge group, nineteen, in the five-year history on this campus.

# Bearcats Will Meet Kirksville in Homecoming Contest Saturday

## Cape Downed By Bearcats In 13-7 Game

### Passes Lead Maryville Team To Victory

Cape Girardeau's Maryville Bearcats struck through the air for two first half touchdowns, then played tremendous defensive ball to hold Cape Girardeau to one second half score and come out victorious, 13-7, in an MIAA conference game at Cape Saturday night.

After stopping the visitors on their own 10-yard line in the first period the locals started a march of their own, that ended with a six-pointer.

Bob Hemenway passed 25 yards to Ono Monachino. Kenny Reynolds converted and it was 7-0 Maryville at the end of the first quarter.

A recovered fumble on the Cape 21-yard line set up the Cats game winning touchdown. Paul Tobin connected with George Coulter for the "TD." Reynolds' conversion was wide of the mark.

The locals tallied again, only to have the play nullified by a penalty and the half ended with Maryville leading 13-0.

**Cape Scores**

The third quarter was scoreless and the home club scored their only touchdown in the middle of the fourth and final session.

Jim Lee climaxed a 47-1 yard march by going over the three-yard line. Jim Yearigan converted.

The Cats held on to the ball the rest of the way and staved off Indian threats. Statistics:

	M	C.G.
First downs	15	13
Rushing yards	154	146
Passing yards	76	46
Passes attempted	20	16
Passes completed	7	6

Maryville	7	0
Cape Girardeau	0	7
Final Score	13	7
Maryville touchdowns—Monachino, Coulter. Conversion—Reynolds.		
Cape Girardeau touchdown—Lee. Conversion—Yearigan.		

## Bearcats Will End Season with Mules

Maryville's Bearcats will journey to Warrensburg, November 7, for their last grid encounter of this season. Last year, at about this same time, the local team gave this MIAA foe a 20-7 drubbing.

Paul Tobin and Don Palmer both turned in fine performances in the grid game with Warrensburg last season. In this game the Green and White showed brilliant running and pass intercepting that paid off with three touchdowns.

The Warrensburg squad, which is coached by Harry Fritz, has 15 returning lettermen. Larry Mack, end; Jim Bodenhamer, quarterback; Joe Lowe, tackle; and John Titus, halfback, are all three year letter-winners and all four can be expected to play a sparkling game for the Mules.

Members of the Barkatze and Green and White Peppers, campus pep organizations, will travel to Warrensburg to back the 'Cats.

with her.

**Plays Part of Nurse**

Opal Carson, senior English major from Eagleville, is cast as the nurse. The nurse has had charge of Antigone since the death of Antigone's mother and is quite alarmed at the change that has come over Antigone. Antigone soothes her mind, though, and the nurse leaves Antigone, never dreaming of what she plans to do.

Richard Oakerson, a sophomore speech major from Maryville, has the part of the first guard; the second guard will be played by Lewis Wallace, a freshman from Hopkins; and the third guard will be Frank Babb, a junior English major from Cameron. To the guards falls the task of apprehending Antigone as she tries to bury her brother.

**Has Role as Messenger**

Harley Hackett, junior English major from Dearborn, will play the part of the messenger. The messenger has the grim role of reporting to the king that his wife has committed suicide.

Eurydice, King Oreeon's wife, will be played by Suzanne Haack, an exchange student from Leven, Germany. Eurydice will be seen throughout the play knitting until it is time for her to go to her room and commit suicide.

A student from Horace Mann will be selected to be the page.

Eddie Woltz, a senior elementary education major from St. Joseph, will be student director of the play.

## Pointing for a Bearcat Victory

Ono Monachino and George Coulter, a pair of rugged ends, hold a football aloft in a practice session as the Bearcats prepare for their Homecoming battle with the league leading Kirksville Bulldogs. Coulter, a senior from Stockton, California, is co-captain of the squad with Paul Tobin of Burlington Junction, Missouri.

## Bearcats Roll to 27-19 Win Over Eastern Illinois State

The fighting Bearcats came up with a winning combination of running plays and passes to down Eastern Illinois State of Charleston, Illinois, 27-19 in a non-conference football battle at Maryville, October 18.

After a scoreless first quarter, Bob Hemenway started the Bearcats on their victory march with a pair of touchdown passes in the second period. The first pass was a 16 yarder to big George Coulter to give the 'Cats their first tally. Midway in the same period, Hemenway came up with another pass, this one to freshman Gil Obregon who scooted across the line for the second touchdown. Ken Reynolds converted the point to give the Bearcats a 13-0 halftime edge.

**Obregon Hits Line**

Eastern Illinois surged back strong in the third frame to rack up two touchdowns. Particularly effective was the play of quarterback Dave Cohrs, a flashy senior and the mighty mile of the Panthers' backfield. Late in the third period, Obregon plowed through to the goal line after Ono Monachino had blocked a punt attempt by the Illinois crew. Reynolds converted the extra point to stretch the Bearcats' margin to 20-13 as the quarter ended.

Don Calvin put the Illini eleven

## Slow Down

The work being done on the college drives has been planned with the help of a Missouri State Highway engineer. The drives are 18 feet from curb to curb with 22 feet on the curves. These are the widths of many state highways. Plans are made to paint a stripe on the drives to mark the centerline. There is plenty of room to pass on these drives. If you drive a car, you must stay on your own side of the drive and drive at reasonable speed. A reasonable speed on this campus will be construed to mean 25 miles per hour.

You must park your car in the parking areas not along the drives. Please do not park in the drive leading to the Union Building. The drive going into the Union is for service vehicles and for cars bringing persons to the Union. The car should be parked in a parking area after your passengers are delivered.

Car traffic on this campus is in the hands of the drivers of cars. The college has provided parking areas, the roads are wide enough for careful drivers, and signs are in place to help. SLOW DOWN.

## Bearcats Challenge Kirksville In Annual Homecoming Contest

Bearcats Will Be Out to Avenge 13-12 Defeat Of Last Year Before Expected Crowd of 4,000

DONNA LAWSON

In a game that will contribute greatly to the success of the 46th annual Homecoming of NWMSC, the Maryville Bearcats will play host Saturday afternoon to an MIAA foe, Kirksville.

Before an expected crowd of 4,000, the 'Cats will be out to avenge the 13-12 defeat handed them last year by the Bulldogs. Kirksville, coached by Maurice "Red" Wade, tied for first place in the MIAA contest last year. Kenneth Gardner, former football star of NEMSTO, is the assistant coach there.

**Kirksville Is Undeclared**

There are twenty-one lettermen on the Kirksville squad of 53, while Maryville has sixteen lettermen from a 45 member team. Edward Bender, a senior quarterback, and Dwight Huggins, a junior halfback, can be expected to lead the onslaught for the Purple and White. Both boys played well in the Bearcat-Bulldog fight last year, with Huggins accounting for one of the opposition's touchdowns.

Thus far this year, the local Green and White have a record of four wins and three losses as compared to the 5-0 record of the Bulldogs. In MIAA play, the local eleven have scored only two victories by defeating Springfield. The undefeated Kirksville team has proved victorious over Springfield and Cape Girardeau.

**Stevens Is Back In Line-up**

Kenny Stevens, who missed playing in two games because of an injured ankle, is out for football practice again, according to Ryland Milner, NWMSC football coach.

The boys seeing action in this "dog and cat" contest will probably be George Haws, C; Don Palmer and Jim Gillette, G; Carl Leffingwell and Bob Dillon, T; Ono Monachino and George Coulter, E; Bob Hemenway, QB; Paul Tobin, RB; Don Black, LB, and Kenny Stevens, FB. Gilbert Obregon, Bob Kariger, Jim Swaney, Stan Butt, Duane Freeman, and Dean Stuck will also be counted on to give Kirksville stiff opposition.

## Ping Pong Takes Lead As Favorite Amusement

Tables in the Bearcat Den are drawing much attention these days. Students sip cokes, "gab," and study around them.

There are three tables in the northwest corner of the Den that draw the attention of many, but not for cokes, "gab" sessions, or studies. What is the attraction?

Dan Evans finds it to be ping pong; Wally Johnson also finds it is ping pong; in fact, virtually everyone finds it's ping pong. That is, everyone but Larry Belt who has recently found other interests.

Night and day, these three tables are in use by ping pong enthusiasts. The only catch is paying fifteen cents for a ball. "Oh, well, I love to play ping pong."

Mrs. Sarabel Davis Yahn is now residing in Witney, England, near Oxford, where her husband is stationed. Sarabel last attended the college during the summer of 1951. She states that she finds England most interesting but quite different from the United States.

## Nine Play on Home Grid For Last Time

Nine Bearcats will play their last game before a home audience this Saturday when Maryville plays host to the power laden Kirksville Bulldogs in the annual homecoming game.

These seniors are George Coulter, a three letter winner from Stockton, California; Paul Tobin, a three letter winner from Burlington Junction; George Haws, a two year letterman from Shenandoah, Iowa; Charles Oellerman, a letter winner in 1951, from St. Louis; Bob Hemenway, a three letter winner from Kansas City; Ken Reynolds, a letterman from Corning; Stan Butt, Westboro; Glade Hullinger, Bedford, Iowa; and Duane Hopkins, Red Oak, Iowa.

## Bell Mall Will Be Site of Pep Rally

Spirited enthusiasm will be the keynote of the pep rally to be held Thursday night after the Variety Show and the crowning of the Homecoming Queen who will reign over the entire weekend.

Immediately after the coronation the queen will lead the audience in a procession to the bell mall, the site of the rally. Barkatze and Green and White Peppers will line both sides of the main walk leading to the bell.

George Coulter and Paul Tobin, co-captains of the football team, will speak to the gathering. An effective touch will be added by the torches carried by the members of the M Club.

Miss Doris Hysler, sponsor, Peggy Carstens and Mandy Ingels, co-chairmen, and all the cheerleaders compose the rally committee.

## Surprise, Surprise!

At four o'clock on Friday the 17th, an unusually large crowd of students was gathered on the front steps of the Administration Building; there was even a pep band.

Both pep organizations were there along with as many members of each organization as could be present.

They gathered on the front steps of the Administration Building for a few yells and some numbers by the band. They then formed behind the band which led them to the practice field where the football boys were working.

There they gave more yells and more band music, and then they followed the band back to the main building.

It was the big surprise pep rally for the football boys, and it must have been a great success since they won the game.

## Leading Scorer

Gilbert Obregon, a husky back from North Kansas City, last week jumped into the lead in the MIAA scoring race. Gil, a freshman, has been a standout for the Bearcats during the football season. Particularly effective were his touchdown drives in the Springfield and the Eastern Illinois games.

## Injured Bearcats Return to Action

The fighting Bearcats are expected to be at top strength on Saturday when they meet the potent Kirksville Bulldogs in the Homecoming contest. Several of the gridsters have suffered injuries in the past weeks, but all have now returned to the lineup.

Kenny Stevens, who missed the Rolla game early in the season, has now completely recovered from his injured ankle and will be in the game for the Green and White. George Coulter, who has been nursing a badly sprained ankle for several days, is again playing regularly. Coulter was on hand for the last two Bearcat victories with Eastern Illinois State and Cape Girardeau.

## Horace Mann Six Drops Homecoming Tilt, 24-14

The Horace Mann Cubs came close to an upset victory over the power-laden Oregon Pirates in their Homecoming contest, Friday night; but a fumble and an intercepted pass gave the Oregon six a 24-14 win.

The Oregon team was spearheaded by flashy Lowell Mohler, who rammed over the first Pirate touchdown and directed most of the ground gaining plays. Aiding Mohler materially in the scoring department were Mac Pullen, Steve Williams, and Leland Close.

For the Cubs, Wayne Jackson and Harold Baker each notched a touchdown and Monty Dorman and Bob Growcock were defensive standouts.

## Random Shots

Homecoming this weekend... lots of projects getting underway... floats, decorations, noise, and school spirit building to a climax.

Football season moving right along... too fast for many... Bearcats picking up wins along the way... only two games left... one at home and one away... Kirksville and Warrensburg... nothing like the long, long ride to Cape Girardeau.

Co-recreational swimming is open to the students again... the pool has been repaired and cleaned... let's see about the diving board.

The Bearcats are really fighting Bearcats these days... the games with Springfield and Eastern Illinois proved that... now for some more games of that calibre... could end the season with a flourish.

Chills for the football squads... those roundballers are taking all the hot water in the showers... and the roundballers are busy this week... cage practice well underway... big Bill McIntosh making a bid.

Pool tables are available in the Bearcats' Den... not likely to develop into a major sport on the campus... but has a lot of avid followers... might pull in some of the ping pong devotees.

A lot of the younger gridsters are turning in some fine games... Among these would be Gil Obregon, Jerry Cole, and Bill Cain... that's what future Bearcat teams need.

Another note on football... the big Homecoming game with Kirksville is the last chance to see the Bearcats in action on the home field... let's back those 'Cats.

## Each Male Student on Campus Will Have Role in Intramurals

The Intramural Commission has completed the assignments of the male students to the eight competitive groups. These groups are based on geographical location of the students' homes. Using the center of Maryville as a focal point, the commission has divided the surrounding area into four groups, the Northerners Athletic Club, Easterners Athletic Club, Westerners Athletic Club, and the All States Athletic Club. The other four groups are the Iowegians Athletic Club, Sparkies Athletic Club, Red Labels Athletic Club, and the Imperial Gophers Athletic Club.

The group directors now have their assignment lists and will contact those students within the next week. All students are requested to fill out their form cards completely and accurately, checking the particular sports in which they are interested.

The directors and the assistant directors of each group are physical education majors. They are attempting to have all assignments completed so that they will be in readiness for the beginning of competition on November 15. On that date basketball, ping pong, and shuffleboard will be available to the groups. All additional and pertinent information can be obtained from the bulletin boards in the Union Building and the Administration Building.

## Grahams Will Return To Campus for Homecoming

Mr. and Mrs. Justyn L. Graham, who teach in the Atchison, Kansas, city schools, will be on the campus for Homecoming activities. While here, they will be guests of his mother, Mrs. Avis L. Graham of the College faculty.

Mr. and Mrs. Graham were both students at Boulder, Colorado, this last summer, at which time Justyn did work on his Master's Degree. Mrs. Graham is the former Nadine Royston.
